

## Evil Airspace!

A humorous yet serious look at speaking with ATC. Mark provides a fun, fantastic look at Airspace and ATC Communications. This presentation is sure to get you more comfortable flying in that space people are oftentimes timid. Mark provides the secret only Air Traffic Controllers know....'How to get ANYTHING YOU WANT from ATC! (I'm hoping I can get pizza delivered). This seminar is guaranteed to make you laugh, smile and learn. After all, Flying Is Supposed To Be FUN! You will no doubt come away from this presentation with a much better awareness of your surroundings and the airspace in which you fly. A definite must see seminar!!!!

**Directions:** This seminar will be located in the Modern Avionics Hanger.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
